

# Mott Community College General Education Assessment Rubric

## **MultiCultural Ethnic Studies Across the Curriculum**

### **Rubric for scoring MES assignments:**

MES Goal: Students will analyze and evaluate the history, politics, economy, values, religion, art, social issues or related topics and other aspects using respected, scholarly sources, drawing conclusions and supporting contentions.

Outcomes for Multicultural/Ethnic Studies: A student must demonstrate at least one of the following:

1. An analysis or evaluation of the diversity and commonality of two or more cultures and/or ethnic heritages;
2. An analysis of the history and evolution of a country into an ethnically diverse nation;
3. Knowledge about the interdependency of cultures and geopolitical issues;
4. An analysis of perspectives, traditions and contributions of one or more cultures and/or ethnic groups.

<b>Rating</b>	<b>Standard for measurement</b>
3	One or more outcome statements are demonstrated fully and successfully
2	One or more outcome statements are incompletely/partially demonstrated
1	One or more outcome statements are demonstrated in a very limited way
0	No outcome statements are demonstrated successfully
